To Whom It May Concern:

This letter is to express our appreciation and satisfaction with the home-remodeling project undertaken and completed for us by Caulton Contracting earlier this year. Having built our new home nearly twenty years ago, the effort to restore and update it was a very important matter to us.

We are very pleased with the professional approach of Tim Caulton and his entire staff. We appreciate the personal attention and businesslike approach to our project, their honesty, integrity, and skilled work. It was a pleasure to deal with one who truly believes in customer satisfaction.

I would be pleased to provide any further information you might desire.

Sincerely,

Thomas P.
